Wedding flowers

At Kf we take great pleasure working closely with you to transform your wedding aspirations into reality. We are here to help and ensure every detail is managed with the utmost care and professionalism. We specialise in small, intimate weddings in Central London, and our flowers have graced the rooms of many churches, restaurants, venues and homes across the city.

We love to capture the spirit of the occasion, by using seasonal flowers, foliage and textures and buy British grown blooms when possible. We encourage sustainable floristry designs, so avoid using floral foam and single use plastics. All of the work we create is bespoke and tailored to each wedding couple. Whatever your budget, we are more than happy to work with you to ensure your day is special. Beautiful flowers are bountiful and possible.

Tailored wedding service

A bespoke service, tailoring all aspects of the floral designs to your personal taste. You choose the flowers, the colours, style and theme.

We meet with you in the shop for a personal consultation. This is an opportunity for you to discuss any ideas you have and we can offer our support and advice. Following this meeting, we will send a personalised quote and will continue to communicate with you by phone or email. Nearer to the date of your wedding, we encourage a second meeting where all the necessary final checks can be made. It is an opportunity for you to see colour samples and the blooms chosen for your special day. Juliet will personally oversee all aspects of your wedding flowers to ensure no detail goes unmissed and we will support you every step of the way.

Wedding package service

If you have a fixed budget, unsure which flowers to choose or wish to keep the planning simple, our wedding package is the choice for you. Simply let us know your colour scheme, what items are needed from our menu and leave it in our hands. We will tailor the package to suit you, choosing the best seasonal flowers and foliage that will work best for you, on the day. All communication is via email and /or over the phone. To keep costs low, we cannot take requests for specific blooms, unless they work within the package budget.

Please get in touch with us as early as possible to allow plenty of time for us to review your requirements and start planning the perfect package for your wedding.

You can give us a call on 020 7225 3176, pop into the shop or complete the enquiry form on our website and we will respond as soon as possible.
